

A Week in Canadian History

March 30 – April 05

March 30

- 1644 Governor Maisonneuve and 30 settlers defeated a group of Iroquois who planned to attack the settlement of Montreal.
- 1743 Before leaving the site of Pierre, South Dakota, Pierre La Vérendrye buried a lead plaque claiming the region for France and listing all the members of his expedition. This plaque was found by a group of school children in 1913.
- 1809 Labrador was rejoined to Newfoundland. This was intended to provide better protection for Labrador settlers and fishermen.
- 1832 The Bank of Nova Scotia was incorporated by the Nova Scotia Legislature.
- 1848 An ice jam blocked the flow of water over Niagara Falls and through the Niagara Gorge for 24 hours. Sightseers found weapons thrown into the river during the War of 1812.
- 1860 George Brown introduced a motion in Canada's legislature that the Province of Canada be restructured as a federation with two provincial governments and a central federal government. Members of the central government's legislature would be elected based on population which would give control to Canada West. The motion was defeated.
- 1867 The US purchased Alaska from Russia for \$7,200,000.
- 1872 The Toronto Mail was published for the first time. The newspaper would support John A. MacDonald and the Conservative Party.
- 1874 Louis Riel arrived in Ottawa and signed the "oaths book" to claim his seat in the House of Commons. He then went back into hiding.
- 1885 The people of Battleford moved into the NWMP fort for protection. The town was deserted when Poundmaker and his people arrived seeking food. The Indian agent refused leave the fort to meet them and Poundmaker was unable to stop his younger warriors from plundering the deserted town. The townspeople stayed in the Fort for the next month.
- 1885 PM Macdonald's government appointed a 3 man commission to look into Métis land claims in the NWT.
- 1897 The Manitoba Legislature approved the Greenway-Laurier Compromise.
- 1901 A court decision ruled that marriages of Roman Catholics by Protestant ministers were legal.
- 1918 The Canadian National Institute for the Blind (CNIB) was founded by Edwin Baker. He had lost sight in both eyes at the Battle of Kennel in France in 1915.
- 1939 Leaders of Canada's federal parties all agreed that if Britain became involved in a war, Canada would not be neutral and would support Britain. They also agreed that there would be no conscription.

- 1954 The Toronto Transit Commission opened Canada's first subway. The 7.4 km long line ran under Yonge Street between Union Station and Eglinton Avenue.
- 1966 France announced that it intended to withdraw from NATO. At the same time it demanded US and Canadian forces leave France by April 01, 1967.

March 31

- 1853 The HBCo provided funds to establish a school for boys in Victoria and a girls' school at Colwood Farm. These were the first schools on Vancouver Island.
- 1885 Riel and his Métis supporters returned to Batoche from Duck Lake.
- 1890 The Manitoba School Act was passed by the Manitoba Legislature. It abolished separate schools for both protestants and Catholics and created a Department of Education that would control all public education in the province. English was made the official language of instruction.
- 1914 The Canadian Armed Forces consisted of 3000 officers and enlisted men in the regular force. The militia included another 5615 officers and 68,991 enlisted men.
- 1949 Newfoundland became part of Canada.
- 1957 Canada's first system of equalization payments between the federal and provincial governments came into effect.
- 1958 John Diefenbaker and the Progressive Conservative Party won a landslide victory in the 24th general election. They won 208 of Parliament's 245 seats. The Liberals and Lester Pearson won only 48 seats.
- 1982 Argentina invaded Britain's Falkland Islands in the southern Atlantic Ocean.
- 1994 Canadian retailers sold 62,500,000 more cigarettes than in March 1993 due to a reduction in cigarette taxes.
- 2001 The US-Canada Softwood Lumber Agreement expired. Over the next few years the US would raise duties to more than 27%.
- 2005 The government of Alberta repaid the last of its debt. It became the only debt-free province in Canada.

April 01

- 1702 Daniel d'Auger de Subercase was appointed governor of Placentia in Newfoundland. His salary was 1,700 livres.
- 1734 Canada's first lighthouse started operation at Louisbourg. It was 20m tall and illuminated by coal obtained from mines on Cape Breton Island.
- 1758 A bread ration was introduced in Quebec and Montreal. Each person was allowed 60 grams a day.
- 1776 1124 Loyalist refugees arrived in Halifax from New England.
- 1868 Parliament passed an Act that established a national Post Office. The rate for mailing a letter was reduced from 5¢ to 3¢.

- 1873 540 people died when the passenger liner Atlantic struck Meagher's Rock outside Halifax's harbour and sank.
- 1893 The Grand Trunk Railway took over 14 smaller railways and gained a large share of railroad traffic in Southern Ontario.
- 1914 A sudden blizzard and temperatures that dropped unexpectedly to -23°C trapped and killed 77 men hunting seals on ice off the coast of south-eastern Labrador. Another 173 men died when the sealing ship Southern Cross was lost at sea during the same storm.
- 1923 Canadian cattle were allowed to enter Britain when that country ended its 1894 embargo.
- 1924 The Royal Canadian Air Force (RCAF) was established.
- 1927 The US placed a quota on the number of Canadians allowed to enter the country to work.
- 1932 The RCMP took over the duties of the provincial police in Alberta and Manitoba. It would also take over police duties in Nova Scotia.
- 1942 The federal government introduced gasoline rationing.
- 1945 The US launched an attack on the Japanese Island of Okinawa. This was the first island that included a large Japanese civilian population. More than 150,000 civilians would die in the fighting or by suicide to avoid capture in the 82 day long battle.
- 1948 The first performance of musical revue Spring Thaw took place in Toronto's Museum Theatre. The revue ran until 1973.
- 1949 Joey Smallwood was appointed interim premier of Newfoundland when the province joined Canada.
- 1961 The drug thalidomide went on sale in Canada. It was prescribed to help pregnant women cope with morning sickness and insomnia.
- 1962 The section of the 1958 Canadian Broadcasting Act that required 55% of television programming to be Canadian content went into effect.
- 1968 The Canadian Radio Television Commission (CRTC) was created to regulate the broadcast industry. It replaced the Board of Broadcast Governors.

- 1970 The Department of Indian Affairs and Northern Development (DIAND) transferred responsibility for governing the eastern Arctic to the NWT.
- 1976 The federal government increased its minimum wage to \$2.90 per hour.
- 1978 VIA Rail became a Crown corporation and took possession of the CNR's passenger cars and locomotives which it had formerly used when VIA was controlled by the CNR.
- 1979 The export tax on light Canadian crude oil was raised to \$8.00 per barrel.
- 1980 The Quebec government of René Lévesque raised the province's minimum wage to \$3.65.
- 1980 Alberta's Petroleum Marketing Commission took control of crude oil produced on crown land in Alberta and told federally owned Petrosar for find its oil somewhere else.

- 1990 The federal government and Dene and Métis people in the NWT settled their land claims dispute. The Native groups were granted title to 181,230 square kilometres of land including mineral rights. They were also given \$500,000,000 to be paid over the next 20 years.
- 1998 Heavy runoffs caused by melting snow caused severe flooding along a number of Quebec rivers. More than 4000 houses were damaged in dozens of communities.
- 1999 The territory of Nunavut came into being. It had a population of 27,000 of whom 82% were Inuit. The territory's capital was Iqaluit on Baffin Island. Its government was headed by Premier Paul Okalik.
- 2003 Rainfall of up to 10 cm hit parts of Atlantic Canada causing severe flooding and road and bridge washouts. 55,000 residents of Saint John, New Brunswick were without electricity.
- 2003 Air Canada filed for bankruptcy protection in Ontario. Its revenue which had dropped after 9-11 had fallen further when the SARS epidemic hit air travel.

April 02

- 1663 Louis XIV stated that New France would be governed by French laws as all other provinces of France. The Conseil de Quebec originally created by the Company of 100 Associates was replaced by the Conseil Souverain which would include five members plus the Lieutenant-Governor, the Bishop, and the Intendant.
- 1838 John Colborne appointed a Special Council which consisted of 22 members. This Council was to govern Lower Canada.
- 1851 After spending six weeks resupplying his ship Enterprise at Hong Kong, Richard Collinson sailed for the Beaufort Sea to commence his search for the Franklin expedition.
- 1871 Canada's first census was taken. It found Canada's population was 3,689,257; Ontario's was 1,620,851; Quebec's was 1,191,516; Nova Scotia's was 387,000; New Brunswick was 285,594 and; Manitoba's was 10,000.
- 1873 Liberal MP Lucius Huntington charged that Hugh Allan had contributed campaign funds to the Conservative Party in return for a contract to build the transcontinental railway. Prime Minister MacDonal and the Conservatives defeated the ensuing Liberal non-confidence motion by a vote of 107:76. This was the start of the Pacific Scandal.
- 1885 A group of Cree led by Wandering Spirit killed 9 people at Frog Lake, NWT. Among the dead were two priests and Indian Agent Thomas Quinn. The HBCo agent and two women survived.
- 1887 The US continued its fishing dispute with Canada and seized the first of many Canadian sealing ships operating in international waters off Alaska and in the Bering Sea.
- 1955 The Angus L. Macdonald suspension bridge between Halifax and Dartmouth, Nova Scotia opened. The only longer Canadian suspension bridge is Vancouver's Lion's Gate.
- 1957 22 year old Elvis Presley opened his first performance of a cross-Canada tour at Maple Leaf Gardens in Toronto. Tickets cost between \$2.00 and \$3.50. Presley would gross \$125,000 by the time his tour finished on August 31st in Vancouver's Empire Stadium.
- 1965 PM Pearson criticized the US bombing of North Vietnam during a speech at Temple University in Philadelphia. Pearson argued that this would not encourage the North Vietnamese to consider a peaceful end to the conflict in Vietnam.

- 1970 The Supreme Court of Canada overturned a BC Supreme Court ruling that banned the use of compulsorily breath tests for suspected drunk drivers.
- 1991 Rita Johnson became BC's first woman premier when she replaced William Vander Zalm as leader of the BC Social Credit Party.
- 1998 The Royal Newfoundland Constabulary began carrying sidearms while on duty. The 313 person police force had been the last in North America to carry out its duties unarmed.
- 1998 Canada's Supreme Court ruled that the failure of the Alberta Individual Rights Protection Act to forbid discrimination on the basis of sexual orientation was contrary to Canada's Charter of Rights and Freedoms. Delwin Vriend had been fired from his job at King's University College in 1991 because he was gay and had appealed his dismissal to the Court.

April 03

- 1834 William Lyon Mackenzie was sworn in as the first mayor of Toronto. He had been selected by reformers who formed a majority on the city's council.
- 1849 Robert Baldwin's government introduced the University Bill of 1849. It took control of post secondary education in Canada West away from the Church of England. From then on, post secondary education was non-denominational and under government control.
- 1862 The BC government gave a £17,600 contract to Thomas Spence to build a 47 km wagon road from Boston Bar to Lytton.
- 1865 A committee of PEI's Legislature released a report that opposed Confederation. The committee believed Confederation would increase taxes, ruin PEI's economy and didn't give the island a large enough voice in the new colony's affairs.
- 1867 The HBCo gave up all its claims to Vancouver Island.
- 1907 The University of Saskatchewan was granted a charter.
- 1916 The Battle of St. Eloi commenced in Belgium. Over 1000 troops of the 2nd Canadian Division would be killed, wounded, or taken prisoner in the 17 day long battle.
- 1929 The Hudson Bay Railway was completed.
- 1946 Canada purchased the portion of the Alaska Highway between Dawson Creek, BC and the Alaska border from the US. It cost \$108,000,000 or \$55,000 per kilometre.
- 1962 General Andrew McNaughton resigned as chairman of Canada's section of the International Joint Commission after a dispute with the Diefenbaker government over the Columbia River Treaty.
- 1965 PM Pearson and US President Johnson met at Camp David. Johnson, upset over Pearson's Temple University speech, strongly berated Pearson and according to some grabbed the Prime Minister by the lapels and shook him. Pearson would later say that the meeting was strained and insisted the two leaders had parted cordially.
- 1969 PM Trudeau announced his government's decision to reduce its commitment to NATO cutting the number of Canadian troops in Europe by 50% to 5,000.
- 1978 The Bank of Canada raised its prime lending rate by 0.5% to 8.5% after the Canadian dollar dropped below US88¢.

April 04

- 1745 Ships and soldiers from New Hampshire and Connecticut joined Pepperrell's forces at Canso in Nova Scotia in preparation for an attack on Louisbourg.
- 1853 King's College in Windsor, Nova Scotia was incorporated.
- 1949 Lester Pearson signed the North Atlantic Pact in Washington, DC on behalf of Canada. This made Canada one of the original 12 members of the North Atlantic Treaty Organization (NATO).
- 1967 Pierre Trudeau became Minister of Justice in the Pearson government.
- 2000 The Canadian Centre for Policy Alternatives released a report that described the extent of poverty in Canada. It reported that 2,200,000 women and 1,600,000 men lived in poverty. Additionally, 56% of single mothers and 50% of all women over age 65 lived in poverty.
- 2006 PM Stephen Harper's government delivered its "throne speech" to the new session of Parliament. It concentrated on his party's 5 election promises: an anti-corruption law for government officials; a cut in the GST; a reduction in waiting lists for health care; cash for child care; and, tougher sentences for crimes involving firearms.

April 05

- 1621 None of the 50 settlers who had survived their first winter at the Plymouth Plantation chose to leave with the Mayflower when it returned to England to obtain supplies. Through farming and trading for furs, the settlers would eventually pay their backers for the cost of their transport to America.
- 1669 Jean Talon persuaded King Louis XIV put in place a series of bonuses to encourage population growth. Fathers of families with 10 children were given an annual pension of 300 livres; and fathers of 12 children received 400 livres. Young men who married before age 20 were given 20 livres.
- 1852 William Kennedy and his companions reached Brentford Bay on Prince Regent Inlet. Eight of the crewmen then returned to the Prince Albert, while Kennedy, Bellot, and the remaining four men continued southwest.
- 1908 Edmonton, Alberta installed one of the first dial telephone systems in Canada.
- 1917 BC amended its Provincial Election Act and gave women the right to vote in provincial elections.
- 1932 Newfoundlanders rioted outside the Legislature in St. John's during a protest of unemployment and government conduct.
- 1951 Ontario prohibited discrimination based on religion or race in the workplace with the passing of its Fair Employment Practices Act.
- 1958 The world's largest non-nuclear explosion destroyed the twin peaks of Ripple Rocks in Seymour Narrows near Campbell River, BC. 1270 tons of Nitramex-2H were used remove the rocks which had sunk more than 120 ships.
- 1969 An RCMP dogsled arrived in Fort McPherson, NWT from Old Crow, Yukon. It was the last official RCMP use of dog teams. Dogs were replaced by snowmobiles.

- 1977 Willy Adams of Rankin Inlet became the first Senator for the NWT. He was also the first Inuit to be appointed to Canada's Senate.
- 1993 Ontario's NDP Premier Bob Rae met with public sector union leaders representing 900,000 workers to explain why his government was cutting the provincial budget by 20% or \$5,400,000,000.
- 2003 Robert Ghiz, the son of former PEI premier Joe Ghiz, narrowly defeated former provincial Health Minister Alan Buchanan for the leadership of province's Liberal party. He would be elected to the Legislative Assembly and take up the role of Leader of the Opposition in a general election later in the year.
